## YEAR TO DATE Trust level BPT commissioners report – 2018/Q1-Q3 (9 months)

This is a **'year to date'** BPT report containing a summary of cumulative data of discharged patients by trust indicating BPT status for the period indicated above. Please note, a quarterly report is also available, however, where a provider and commissioner agree reconciliation over a period greater than quarterly, or where the provider have a low level of BPT applicable activity in a quarter, it may be more appropriate to agree to use this year to date report.

Code	Trust	Respiratory review within 24 hrs (%)	Discharge bundle (%)	BPT passed (%)	BPT >= 60%

## Achievement rate: 64 of 133 records (48.1%) - Report date: 22/02/2019 13:22

Note: To qualify for BPT, each trust must meet or exceed 60% achievement rate on average for each quarter

These YTD figures may not qualify on a strict quarterly basis.

Quarters are denoted as Q1 April-June, Q2 July-September, Q3 October-December and Q4 January-March.

(With the year indicated as the current year, except Q4 which uses the previous year, eg: 15 Jan 2018= 2017/Q4).

\*Some Trusts have reconfigured hence the change in denominator between Q2 and Q3 year-to-date (YTD) reports (2018/19).
